**Boomerang Asset:** The Boomerang Asset for the month of March is **Creative Activities**. "A young person who participates in creative activities which have a direct positive impact on him/her and others. Their creative activity can take a variety of forms-music, drama, art, or any other creative activity." be accepted until Friday, March 24<sup>th</sup>. Please stop by the guidance office if you have any questions.

**Holicong Wellness Committee:** Eating an apple is a more reliable method of staying awake than drinking a cup of coffee. An apple keeps you going because it contains calories and carbohydrates, as well as vitamins and minerals.

**Holicong 9<sup>th</sup> Grade Students:** Please check your student email and make sure to vote for the 9<sup>th</sup> grade superlative awards to recognize your classmates in the yearbook. Who do you think has the best smile in 9<sup>th</sup> grade? Who is most likely to take over the world? Who is most likely to win a Grammy from your class? Answer these questions and more? There will be an email link to complete a survey. Responses are due by March 24<sup>th</sup>. Please stop by the guidance office if you have any questions.
