April is Autism Awareness Month – Did you know that Albert Einstein, Mark Twain, Beethoven, Alexander Graham Bell, Leonardo DaVinci, Emily Dickinson, Isaac Newton, Bill Gates, Dan Aykroyd, James Durbin, Daryl Hannah, and the creator of Pokemon were all on the Autism spectrum?! Autism is a complex developmental disability that affects an individual in the areas of social interaction and communication. Autism is a spectrum disorder that affects each individual differently and to varying degrees of severity. Today as many as 1.5 million Americans-both children and adults-are thought to have autism. There is no known cause or cure, but there are many interventions that are proven effective and more research now than ever before into autism. The NIH holds the rate of autism to be 1 in 88 individuals. Upcoming events: Wednesday, April 16th is the Autistic Support Pool Party Social for students, staff, friends and family at C B East High School (6:15PM-7:45PM); Friday, April 25th is Autism Awareness Jeans & Ribbons Day at Holicong. Students will also be giving out autism awareness ribbons, selling Peer Connect t-shirts and setting up displays, posters and artwork around the building. Please see Ms. Smith in room 113 if you would like to help out.

Holicong Library – A reminder to any student interested in participating in the author visit with Josh Berk, please remember applications are due by Tuesday, April 15th. See your English teacher or Ms. Johnston in the library if you have any questions or need an application.
