

## Daily Announcements for Friday, April 21, 2017 – A day

**Holicong Music:** 8<sup>th</sup> Grade choir rehearses today from 2:45-4:00 in the auditorium. Please be sure to turn in excuse forms if you can't attend. Robe choir rehearses today from 4:00-5:15. Robe members if you can't stay for rehearsal today but will be attending a cappella festival tomorrow, you can stop by the choir room today to get your t-shirt. If you don't grab your shirt today, Mr. Glaser will bring it with him to the festival tomorrow.

**Gay/Straight Alliance:** April 21<sup>st</sup> is the Day of Silence in which students participate by being silent throughout the day to show their support for and recognition of those that are "silent" every day. Generally, this is done to show support and recognize LGBT people, but can be used as a day to recognize anyone that is silenced. Please remember to respect those choosing to be silent and not to force them to speak today.

**P.O.P.S.:** Saturday, April 22<sup>nd</sup> is our roadside cleanup from 8 – 10 AM. There is a change in the parking area. Please see Guidance or the Health Office to get a new permission form. Please return the permission form to Guidance by Friday morning. We hope you can join us.

**C B East Girls Volleyball Open Gym:** C B East Girls volleyball open gyms will be starting next Tuesday, April 25<sup>th</sup> from 3:00PM-5:00PM in the Auxiliary Gym at C B East. Open gyms will be held every Tuesday. Please be there 10-15 minutes early to help set up. If you have any questions, please contact Coach Rabberman at [cbegirlsvolleyball@cbsd.org](mailto:cbegirlsvolleyball@cbsd.org)

**Holicong Earth Day:** Today Holicong will be celebrating Earth Day, in your science class you will learn about an aspect of preserving our planet. Although, Earth Day is just one day think about what you can do every day to help preserve the planet that we all depend on. Today's Earth Day fact is: Eighty percent of water bottles are not recycled and can take over 1,000 years to degrade during which time they release toxins that impact the environment. Consider using a reusable water bottle.

**Holicong Track:** Congratulations to the boys and girls track and field team who won their first track meet of the season against Newtown and New Hope yesterday. Both the boys' and girls' teams dominated in all track and field events defeating both teams by well over 100 points. We have NO track practice today. Be ready for our home varsity meet on Monday at C B East VS Log College.
