

Dear Parents and Students,

5th grader, Cydney Becker and her mom, Amanda, need your help! Amanda is a student at Gwynedd Mercy University and as a requirement for her graduation she is completing a service project with Cydney. They are collecting toiletry items to donate to homeless/dual diagnosed, men and women from Bucks and Montgomery Counties through the month of April.

They are looking for **new toothbrushes, toothpaste, shaving cream, razors, shampoo, conditioner, soap (body wash, bar soap, hand soap), deodorant/antiperspirant, hand lotion, hair brushes, feminine hygiene products, baby wipes, dental floss, band aids, etcetera.**

There will be a box for donation in Mrs. Rittenhouse's classroom and one in the lobby. All items can also be given to Cydney Becker in Mrs. Rittenhouse's class. We will collect from the last week in March until May 1. Thank you so much for your generosity!
