April 2017

Dear Home Education Parent and/or Guardian

As we near the end of the 2016 - 2017 school year, please arrange for an annual written evaluation of your home education program.

The law requires that each home education student be interviewed and their portfolio reviewed by a qualified home education evaluator each school year.

The evaluator's written certification, that an appropriate education has occurred, must be submitted by the home education supervisor. **This evaluation must be received by the School District by June 30, 2017.**

For your year-end evaluation reference, excerpts from the *Home Education and Private Tutoring Guide* are enclosed. **Please ask your evaluator to properly document their credentials according to the examples shown.**

In addition, please find a packet supporting the upcoming 2017 - 2018 Home Education process.

If you have any questions, please call my office at 267.893.2021.

Sincerely,

Corinne Sikora
Supervisor, Student Services
