

Unami “Passive” Fundraisers

The primary fundraiser for Unami Middle school is the magazine drive held every September. We do however, have a few other ways you can help us earn money – and you don't have to spend any additional money!

If you shop at Amazon.com, Target, Genuard's, Giant, ShopRite, Bottom Dollar, Old Navy or Best Buy (to mention a few) you can designate that a percentage of your purchase goes to Unami. Here's how:

For Unami to earn a percentage of your purchase all you have to do is go to Amazon through the link on Unami's homepage. We will earn a percentage of your purchase at Amazon. **It does not cost you anything additional to do this.** http://www.amazon.com/?_encoding=UTF8&tag=unamidsch-20

At Target if you use your Target Visa or Target Card and you designate Unami as the school to receive the Target donations, Unami benefits through the Take Charge of Education program when you shop. Click [here](#) or call 1-800-316-6142 and designate our school.

Designate Unami as your school of choice on your **Giant** BonusCard. Go to: www.giantfoodstores.com/aplus Unami's school code is **23517**.

Go here www.bottomdollarfoodconnections.com/ and designate Unami as your school of choice on your **Bottom Dollar** Membership Card. Unami's code is **50391**.

Go to www.ecrip.com to register your **Genuardi's**, **ShopRite** or other store cards to earn money for Unami. You can also shop online (**Barnes&Noble**, **Old Navy**, **Best Buy**, **Lands' End**, and at other merchants). Unami will earn a percentage of your purchase.

We hope that when you shop you will think of Unami. In this time of tight school budgets, this is a great way to help Unami.

Grandparents, alumni, neighbors and friends can take part too!
