# Luminaria Ceremony

American Cancer Society  
Relay For Life of Central Bucks Middle Schools  
May 20, 2017

An important aspect of the American Cancer Society Relay For Life is the opportunity for people to come together to remember loved ones lost to cancer and honor those who have won their battle. One of the most moving parts of the event is the Luminaria Ceremony.

As the sun sets and darkness falls, the night is brightened by the glow of illuminated bags called luminaria, each bearing the name of someone who has battled cancer. Some celebrate cancer survivors, while others help us honor and remember those gone too soon. All represent someone special who has been profoundly affected by cancer and the family and friends who continue to fight back in their honor.
