Dear Parents and Guardians,

As the cold weather season approaches, Central Bucks School District is planning to test its mass communication system for the purpose of communicating important information via **text alerts** for weather events and other emergency occurrences.

**On Wednesday, October 26<sup>th</sup>, a text message will be sent to ALL parent and guardian mobile phones on file with the district's Student Information System.**

If you do **NOT** wish to receive text alerts from the district, you will be provided with an option to **OPT OUT**. For information and questions regarding our communication system and procedures to OPT OUT, please refer to our guide [HERE](#) on our district website.

If you do not receive the test text, please login to [Parent Portal](#), choose Family Members and click on the Update button to add/update and/or verify that your mobile number is correct. If you require further assistance, please complete the [Parent Portal Request Form](#) providing details in the space provided.
